Bachelor of Design in
Visual Communication Design

08/12 - 09/12 **UW Design in Rome**
Study Abroad Exploration Seminar

EXPERIENCE

08/16 - NOW **Katherine Wong Design**
07/14 - 07/15 *Freelance Designer*
Some projects during this time include: book design, wayfinding and environmental graphics, assorted print collateral for the Wing Luke Museum, and contract work for Schema Design and Henry Art Gallery.

07/15 - 8/16 **Studio SC**
Junior Designer, hired from Contract Designer
Learned about different aspects of environmental graphic design such as materiality and working with architects and fabricators. Projects ranged from minimal code signage to full wayfinding systems with environmental graphics applied to multiple buildings.

10/14 - 12/14 **Schema Design**
Design Intern
Immersed in the interactive and data focused side of design. Assisted with user testing, designed for digital formats, and adapted an app from Google Glass to Android mobile.

09/13 - 07/14 **Henry Art Gallery**
Design Intern
Mentored by Jayme Yen with projects ranging from flyers and posters to exhibition and event branding and signage. Highly encouraged to experiment while developing solutions within a tight budget.

10/12 - 08/13 **University of Washington Press**
Design Production Intern
Became more familiar with what book publishing entails. Worked on corrections from copy editors, reprints of older books, and development of new book covers.
